

13 June 2018

Dear members

Please find attached the amended and approved minutes of the last AGM, held at the Synagogue on 24 April 2018, and which had to be adjourned before the election of officers and committee members.

Once again sincere apologies for the confusion. All matters have now been resolved. SOVRA held a Meet & Greet Event on Sunday 10th of June, where well over 100 residents came along to meet the new committee and get to know us in person. There was definitely a positive vibe throughout the event and being lucky with the weather made the event a great success. We will add a brief report on SOVRA's website in due course.

**The reconvening of the AGM will be held at the Synagogue on Thursday 28 June 2018 at 7:30 pm. We do appreciate that it is the World Cup fever and England will be playing against Belgium that night, SORRY all football fans. However, for various reasons beyond our control, we are unable to change the date.**

**Also attached are the Nomination forms, please use these to nominate yourself or any other member. All Nominations to be received by end of Wednesday 20 June to one of the addresses listed below. Please note only SOVRA members can be nominated.**

**Once all nominations are received, the committee will validate them and circulate the list of nominees to all members. We would then ask all members who prefer football to AGMs, and those who are unable to attend for other reasons, to use the Proxy forms to cast their votes and make them count. Please note that Non-members do not have the right to vote, only SOVRA members can vote.**

**Proxy forms will be sent out to all SOVRA members on 21-22 June together with the AGM Agenda.**

Kindly note that this will be the reconvening of the last AGM and hence a very short meeting mainly for elections. All agenda items that were covered on the 24th of May will not be addressed.

Thank you for your continuous support and hope to see you on the 28th of June.

Girish Jethwa  
Acting Chair - SOVRA Committee
